This year's fee of $100 includes the league fee of $70 plus a uniform fee of $30. At the end of the season all players will keep their uniforms. We recommend selecting the largest suitable size so the uniform will fit for as many years as possible. If you already have a uniform issued to this player previously by PYAA that still fits and looks well, you need not purchase a new uniform. Also, PYAA issues uniform numbers so no overlap occurs during a player's advancement through their grade levels. So, if you wish to purchase a used uniform from a player who is finished with PYAA basketball, you must discuss the uniform number with Karl Tisberger before purchasing the used uniform to insure no conflict exists.

Uniforms ordered after registration will cost an additional $25.00. This additional $25.00 is the partial cost of shipping a uniform four times and the cost of setting up the silk screening equipment for a single run.
